Help ?

Go | Clear

## 2-Select CIF id from searcher

The screenshot shows the Finacle CoreServer interface. A search dialog titled "Records pending for Verification -- Webpage Dialog" is open. It displays a single record with the CIF ID "004280124". The main application window shows a "MOBILE SEEDING" form with fields for "Function Code" (set to "X-CANCEL") and "CIF ID" (containing "004280124"). Buttons for "Go" and "Clear" are visible at the bottom of the seeding form.

## 3-Click on go button, system will display details.

The screenshot shows the Finacle CoreServer interface after clicking the "Go" button. The search results dialog now displays the message "Record has been cancelled." The main application window remains the same, showing the "MOBILE SEEDING" form with the CIF ID field populated.

## 4- Click on submit button after which system will cancel record.

The screenshot shows the Finacle CoreServer interface after the cancellation process. A message box displays "Record has been cancelled." An "Ok" button is visible at the bottom left of the message box. The main application window shows the "MOBILE SEEDING" form with the CIF ID field populated.

## Validation for Verification of record

### 1-Select valid function code V-Verify from dropdown

The screenshot shows the Finacle CoreServer interface with the "Function Code" dropdown set to "V-VERIFY". The main application window shows the "MOBILE SEEDING" form with the CIF ID field populated.

## 2-Select CIF id from searcher

The screenshot shows the Finacle mobile seeding interface. A modal dialog box titled "Records pending for Verification -- Webpage Dialog" is displayed. It contains a table with one row, showing a CIF ID of "004280124". The main application window shows a "Function Code" dropdown set to "V-VERIFY" and a "CIF ID" input field containing "004280124". Buttons for "Go" and "Clear" are visible at the bottom of the main window.

## 3-Click on go button

The screenshot shows the Finacle mobile seeding interface. A blue arrow points to the "Go" button located at the bottom left of the main window. The "Function Code" dropdown is set to "V-VERIFY" and the "CIF ID" input field contains "004280124". Other buttons like "Clear" and "Help" are also visible.

## 4-Click on submit button

The screenshot shows a form titled "Menu to change customer Mobile Number". It has fields for "Function Code" (set to "V"), "CIF ID" (set to "004280124"), "Customer Name" (set to "PALASH SO DILIP VAIDYA"), "Old Mobile Number" (set to "+917999759154"), and "New Mobile Number" (set to "+918103541947"). At the bottom are buttons for "Submit", "Validate", and "Cancel".

The screenshot shows the Finacle mobile seeding interface. A message box at the top left says "Record has been verified". There is an "Ok" button at the bottom left.
